ABOUT THE FRIENDS

The Friends of the Kingsville Public Library was formed on April 25, 1977, as a volunteer, non-profit organization made up of dedicated individuals who donate their time and/or money to benefit the Library.

Friends support the Library in its mission to provide continued excellence in the areas of literary and educational programs for the community.

Friends believe that a strong library is a valuable cultural, educational, and recreational resource for the community!

We are looking for new members to share their talents, skills, and ideas. Your time is valuable, so volunteering can be tailored to your availability.

Bring your enthusiasm and join others dedicated to strengthening the Library's service to our community. Your degree of participation is totally up to you. Tax-deductible donations go directly to support the Kingsville Public Library.

By donating money, your time, or both, your voluntary support helps the Friends serve the needs of the community.
